

**Apply for essential living fund thurrock**

**I'm not a robot!**

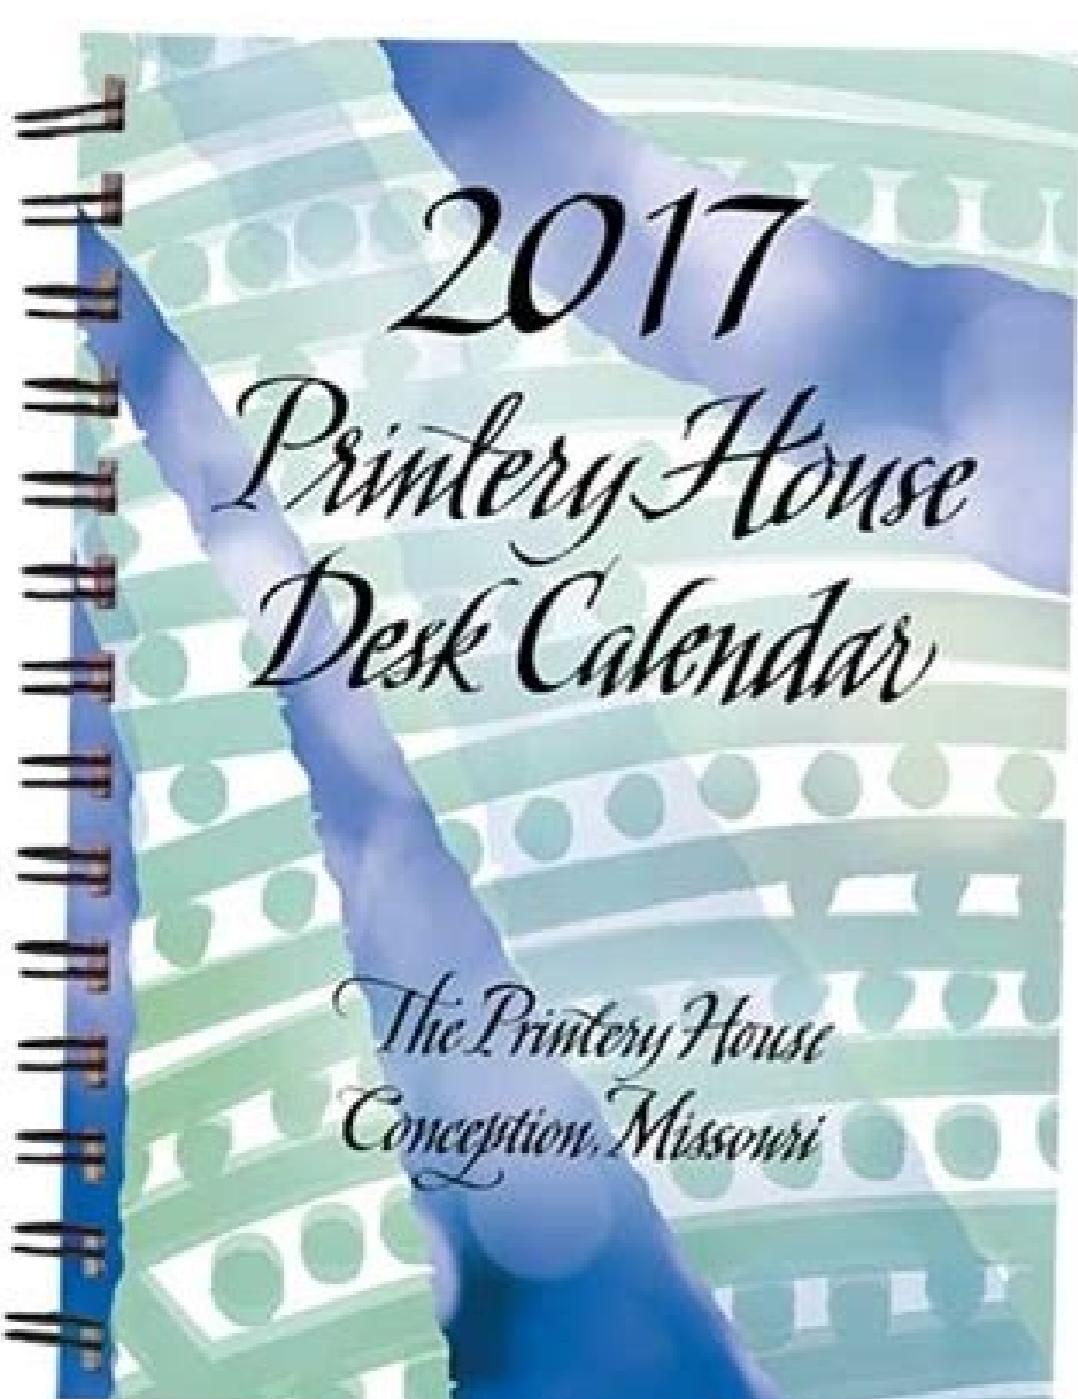

**bbcon 2014**  
Blackbaud Conference for Nonprofits

## Essentials of Successful Fundraising with eTapestry

PRESENTED BY PAM DECHERT, CFRE SENIOR CONSULTANT

**Power on!**

Vouchers for paying bills as well as free items from the Thurrock Council ELF funds are part of the council's local welfare scheme. There will not be cash given to claimants, but rather the welfare scheme gives grants or vouchers to pay bills, free items for a home, food, and other aid. Not of the aid is from the AllPay card, which helps pay the bills. The council will usually give an AllPay card that is loaded up with assistance, and this is similar to a Visa pre-paid card. The card can then be used to help the family either pay for their bills, such as fuel, or the AllPay card can be used to obtain goods, including clothing or food. Most of the items are given directly to the claimant by partners, including furniture centres, charities, and other agencies. Welfare schemes are only available to Thurrock residents at most one time every 12 months. Funds are limited, and assistance is first come-served. The Benefits Management Team will assess all applications, and they will determine if an appeal can be approved or not. However, ELF is meant for short term, emergency assistance and not long term help. Types of assistance from ELF welfare scheme The council will divide the assistance into various forms. This ranges from financial aid (mostly for paying heat or fuel bills) to free goods, including food, clothes, white goods, appliances, furniture, and more. All of the material goods from the Essential Living Fund are time based, meaning claimants need to pick up the items in a short period of time. Generally, 2 weeks is the allotted timeframe for doing so. Also, delivery of some larger goods, such as furniture, will be made for free. Food assistance is offered from the Thurrock Essential Living Fund. This can be provided in 1 of 2 ways. The first will be a free voucher for using at the local supermarket, and that is in the form of an AllPay card. In addition, the council partners with the Trussell Trust churches to provide purchase-free emergency packages. Free furniture and white goods are provided from wellness as well. This can be a sofa, bed, table, kitchen supplies, fridge and many other items. Welfare generally provides furniture and other items for people looking to settle in Thurrock. Or it can be items for people who are leaving care, such as hospital or hostel. These goods can also be delivered, and the number is 0300 7900124. Gas, utility and heating accounts can be paid using the board Thurrock AllPay card. It will climb the meter so that energy can stay at home for longer at home or apartment. A credit will be given on the card, and the funds will help pay the utility bill for a period of time. This gives the applicant more time to find another power account help from their provider. Clothes, including shoes and winter equipment, are also available. Vouchers will be used to pay for these goods. The board will also offer this in partnership with mobile recycling centers, reuse shops in Thurrock and other charities. All fainted items will be gently used and not new. Applying for financial aid and goods from Thurrock Essential Living Fund The goal of the local welfare regime is to help vulnerable families with low income or government benefits, single mothers or parents and others who are struggling. The board ELF vouchers or emergency financial aid on prepaid cards can help people get out of a hostel or hospital; residents under exceptional financial pressure; the disabled; the young; those who recover from a disaster and others. The board benefit manager will evaluate each application on a single basis to determine eligibility. To apply for the well-being of ELF, can be done personally at the counter or online at About the Essential Life Fund The Essential Life Fund (ELF) is an extra help for vulnerable people to live independently.
